NOTICE OF RACE

Friday 8th June 2018 - FG 1855 HRS

Every year in June all boats in KYC race for the coveted Bertoletti Trophy. Mario Bertoletti served as KYC steward from the late 1970's until the early 2000's. Mario's competence, style and unfailing good humour were a huge asset to KYC and played a large part in it's success. Mario, his wife Patricia and large family were our family too and together we look forward to another race in his memory this year.
