Monday 16<sup>th</sup> March

Fellow members

The Covid 19 crisis is rapidly changing and is uncharted territory for us all. There have been a number of public announcements recently from the National Public Health Emergency Team in relation to the virus all of which should be viewed at <https://www.gov.ie/en/campaigns/c36c85-covid-19-coronavirus/?referrer=/health-covid-19/>

In the past week the management committee have been in daily communication with each other ,with club manager, Brian Hunt and his staff in advance of, and in response to the various public pronouncements.

Last week we postponed the March League and cancelled the Starboard 2020 event.

In view of the ongoing crisis the following measures have been put in place until the 29<sup>th</sup> March:

- The bar, gym, shower and changing facilities will remain closed
- Tuesday coffee mornings have been cancelled
- This week's Cruiser class AGM has been cancelled and this weekend's mark laying course has been postponed. Thank you to Finny O Regan who has taken on the role of cruiser class captain and Mark Leonard who will continue as white sail class captain for 2020.
- No junior sailing this month
- We will consult with our sponsor, Axiom Private Clients and make a decision on the Spring Series in the next week
- Paul and Richard will continue re-locating boats and making the necessary preparations for the delivery and installation of the new marina walkway. Barring further government announcements, this installation will commence on 23<sup>rd</sup> March and take approximately one week. Please be advised that access will remain open to marina legs A and B, but that no access will be available to the remainder of the marina during the installation process.
- The club office remains open

I would urge all member to take all necessary health precautions. Please monitor [www.kyc.ie](http://www.kyc.ie) , emails , Facebook and WhatsApp groups for further announcements in relation to club activities

Mike Walsh
