

JUNIOR SAILING COURSE SUMMER 2019

This year the Kinsale Yacht Club Junior Sailing Course will run for six weeks commencing on Monday 1st July 2019 and finishing on Friday 11th August. The core weeks for each level are outlined in table below. Outside the core dates for each level it is planned to run coaching days for individual classes during this six-week period.

Course news

We plan to supply boats for all level 1 participants who do not own one this year. We recommend that parents consider providing boats for all level 2 cadets however we will have a limited number of boats for charter. Level 3 & 4 participants should have access to a boat for their own use on the sailing course.

Level 4 Adventure module was a great success last year and is offered again this year. It is available only to the older more experienced sailor (must be 14 or over and have completed the other level 4 modules).

We are currently reviewing instructor requirements and will be interviewing and offering positions within the next few weeks.

We are converting the Assistant Instructor role into an internship for those that will be 16 years old on 1st July 2019. The plan is to provide an allowance to those assisting on the course and training that will help those planning to become instructors. If you are interested in this role and have not already applied, please email me to put your name forward. (johnstallard@gmail.com)
