Every effort will be made to facilitate applications submitted by 1st May 2018. After that date applicants will be accepted subject to availability of places on the requested course stage. Course news

The Senior Instructor for this year’s course is Kirsti O’Flynn, who has previously worked with us as a Senior Instructor and is very experienced. Kirsti will be supported by our new SI Scott O’Sullivan. We plan to supply boats for all level 1 participants who do not own one this year. We strongly recommend that parents consider providing boats for all level 2 cadets however we will have a limited number of boats for charter. Level 3 & 4 participants should have access to a boat for their own use on the sailing course.

Level 4 Adventure is a module we are offering for the first time in a number of years and is available only to the older (must be 14 or over) more experienced sailor (have completed other level 4 modules).

Course Costs

See application form for cost of each individual course. All course participants must be members of KYC cadet membership for non-members is €80.

Additional weeks sailing where there is availability will cost €100 per week, for non-boat owners there will be an additional charge for hire of boat.
