OWNER'S DECLARATION

To the best of my knowledge the information I have given is accurate. I understand that yacht racing can be dangerous. I agree that KYC, the Organising Authority, the Race Committee, any sponsors, and/or their agents have no responsibility for loss of life or injury to members of KYC, or crew, or others, or for the loss of, or damage, to any vessel or property. I have paid particular attention to and agree to be bound by the Racing Rules of Sailing (RRS) and the ISAF Offshore Special Regulations and the Organising Authority's Sailing Instructions for the event. Before racing I will effect adequate and suitable insurance which will include valid third party liability insurance and before racing I will ensure that I and my crew are aware of:-

1. The undertaking in this Declaration;
2. The responsibility to observe the Racing Rules of Sailing and in particular RRS 1.2. (life-saving equipment): "A boat shall carry adequate life-saving equipment for all persons on board, including one item ready for immediate use, unless her class rules make some other provision. Each competitor is individually responsible for wearing a personal flotation device adequate for the conditions"
3. The responsibilities in relation to local harbour regulations;
4. The responsibilities in relation to the World Sailing Offshore Special Regulations.

KINSALE YACHT CLUB

I Agree to make my boat available for inspection.

If any alteration likely to affect the handicap or rating is made, e.g. to sails, rig, mast, ballast, trim, engine, or propeller, I will notify the appropriate Rating Authority and the Race Committee, and the Sailing Committee of the KYC immediately.

I will ensure that no crew member races on my boat contrary to the terms of any ban imposed by World Sailing, or any National Authority, or the KYC.

I understand and agree that the information given in this form will be maintained in KYC records to be used for all aspects of race organisation.

Each yacht shall exercise her responsibility under RRS Fundamental Rule 4 and decide whether or not to start or to continue to race.

I have read and understand the World Sailing Offshore Special Regulations 1.02 (Responsibility of Person in Charge as set out below):

1.02.1 The safety of a yacht and her crew is the sole and inescapable responsibility of the person in charge who must do his best to ensure that the yacht is fully found, thoroughly seaworthy and manned by an experienced crew who have undergone appropriate training and are physically fit to face bad weather. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used.

1.02.2 Neither the establishment of these Special Regulations, their use by race organizers, nor the inspection of a yacht under these Special Regulations in any way limits or reduces the complete and unlimited responsibility of the person in charge.

1.02.3 Decision to race -The responsibility for a yacht's decision to participate in a race or to continue racing is hers alone - RRS Fundamental Rule 4.

I have read and agreed to the terms of this Declaration. I understand that on signing, I accept the responsibility as the Person in Charge as defined in RRS 46 unless I have informed the KYC that there will be a different Person in Charge.
