*Notes on Support Roster*

1. Two people from each boat listed are required on the Frostbite Sundays (2 boats (four people) some of the Frostbite Sundays) or during summer season each Thursday evening to drive a safety RIB and/ or lay marks.  
    Skippers are requested to note the time and date they are required and **organise** two people accordingly.
2. Please ensure that you sign out and back in for the RIB used (logbook with keys at bar).  
    Also that you pick up First Aid bag, Bucket and Safety Line kit from Race Office (back room on lower floor of club)
3. Coordinate with OOD as to what specific marks and ground tackle will be required for racing. Assistance with flags on committee boat may also be required once marks are laid.
4. Ensure that there is working VHF on RIB (handheld units available in club if required). Agree working channel with OOD.
5. Floatation devices to be worn at all times by all personnel in RIB.
6. **If for whatever reason you are unable to make your commitment, please ensure you organise alternative cover yourself. (swapping with another boat on the roster is an option)**
7. Please contact roster coordinator Choryna Kiely with details of any changes. Contact no. 087 293 2221

Thanking you in advance for your support,  
**Cruiser Class Committee**
